

REMARKS

Reconsideration of this application, in view of the following remarks and above amendments, is respectfully requested.

Claims 1-22 are pending in the application. In the Office Action, Claims 1-5, 7-9, 11-18, 20, 21 and 22 were allowed. Claims 6, 10 and 19 were rejected under 35 U.S.C. §112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. Claims 1 and 11 were objected to for missing the end punctuation mark. The drawings of Figures 1 and 2 were also objected to.

Claims 1, 6, 10, 11, 19 and 22 have been amended. No new subject matter is presented.

Claims 1 and 11 were amended to correct the punctuation therein. Claim 22 was amended to correct a typographical error.

In regard to the claim rejections, Claims 6, 10 and 19 were amended to provide the requested antecedent basis. Specifically, at ¶ 6 of the Office Action, the Examiner indicated that Claims 6, 10 and 19 lack sufficient antecedent basis for the limitation “transmitted along with one frame.” It is believed that the amendments to Claims 6, 10 and 19 provide sufficient antecedent basis.

In accordance with the Examiner’s indication that Claims 6, 10 and 19 would be allowable once the rejection under 35 U.S.C. §112, second paragraph, is overcome (Office Action, ¶ 8), it is believed that Claims 6, 10 and 19 are now in condition for allowance. The

other pending claims, i.e. Claims 1-5, 7-9, 11-18, 20, 21 and 22, are allowed.

In regard to the objection to the drawings of Figures 1 and 2, submitted herewith is a SUBMISSION OF REPLACEMENT DRAWING SHEETS, which provides replacement drawing sheets for FIGS. 1 and 2, which correspond to the description of the specification.

Should the Examiner believe that a telephone conference or personal interview would facilitate resolution of any remaining matters, the Examiner is requested to contact Applicant's attorney at the number given below.

Respectfully submitted,

Paul J. Farrell
